Sir:

Applicant has received the official Filing Receipt (copy enclosed) issued on March 19, 2001 in the above-captioned application. When reviewing the Filing Receipt for accuracy, it was noted that a typographical error appeared in the title. The title erroneously includes "a" between "in" and "particular," i.e., "Portable object such as, in a particular, a timepiece, including a piezoelectric transducer for entering data manually." The correct title is --Portable object such as, in particular, a timepiece, including a piezoelectric transducer for entering data manually--. See the Declaration filed on February 16, 2001 as the evidence of the correct title of the invention.

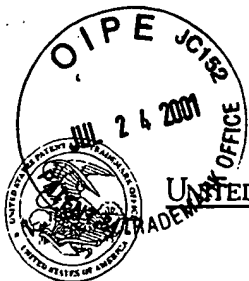

Accordingly, it is respectfully requested that a corrected Filing Receipt be promptly issued and forwarded to the undersigned attorney for applicant which correctly identifies the title of the application as --Portable object such as, in particular, a timepiece, including a piezoelectric transducer for entering data manually--.

Respectfully submitted,  
GRIFFIN & SZIPL, P.C.
